Hello Gary.

If you're certain that there hasn't been emails exchanged between you and Senator Casey's office since February, I'll prepare a no records certification (for your signature) and a no records response letter (not sure who should sign this letter). I'll let you know when it's done.

Hi Gary. You may have already heard about this FOIA request that's been submitted to the Regions. Take a look at it and call me when you get a second.

Subject: Multiple requests from Allan Blutstein -- America Rising

A number of you have received (or may receive) a FOIA request from Allan L. Blutstein (America Rising) requesting all emails sent to or from a specific employee in your office that mention Scott Pruitt, Donald Trump, or other public officials. It appears that these requests are for emails of staff who may be union officials.

You should handle these requests as you normally would, keeping in mind advice from GLO/ILPG that union-to-union records are not subject to FOIA. If it is from union to Agency or Agency to union, then it is subject to FOIA.

Please let me know if questions.

Thanks,
Becky
